

The geographical base map data are based on USGS topographic maps, USGS elevation data, and the USGS Geographic Names Information System. Please consider carefully the fact that the geographic data may not be adequate for purposes requiring precision in depiction of geographic features, exact measurement of direction or distance, or for similar purposes including but not limited to navigation, tracking, or emergency response.

Access this map on the web at <http://www.adfg.alaska.gov/sf/SARR/AWC/index.cfm?ADFG=maps.maps>

Universal Transverse Mercator projection, Zone 6, 1983 North American datum.
National geodetic vertical datum of 1929.
